PROFILE

Results-driven professional with hands-on experience delivering creative, strategic solutions. Technically sophisticated in cutting-edge technologies, programming languages, and software across multiple platforms. Adept at planning, scheduling, and delivering projects within budget and time constraints. Well-versed in elevating brand image by formulating and executing effective comprehensive designs. Flexible and adaptable, will embrace change and drive productivity in fast-paced, rapidly evolving environments.

RELEVANT EXPERIENCE

Marketing Specialist | Wyncote Golf Club

2025-2026

Provide social media directive and content in line with business goals and branding. Design and produce print marketing materials. Drive engagement and promote an elevated customer experience both online and in-house through marketing deliverables.

Web Development Engineer II | Amazon

2021-2024

Technical lead driving customer engagement, signups, and personalization solutions for Amazon Prime. Streamline and develop reusable components, increase scalability and useability for cross-functional teams across worldwide locales. Championed identification and resolution of accessibility issues throughout Prime locations. Led Prime Video initiative for customized recommendations driving thousands of increased Prime signups

Digital Marketing Coordinator | D&H Distributing Company

2018-2021

Developed robust support to in-house digital marketing staff in implementing brand consistency, creative development, and media campaign plans. Conceptualized UI/UX designs by overseeing alignment of business requirements, user-centered design methodology, and technology factors. Increased vendor partner mobile sales and ensured 129% Y/Y improvement. Executed web, email, and graphic design projects within strict timeframes
